We've worked hard over the last 28 years to ensure that our industry network is among the strongest and most extensive. We've earned trust and respect, so that we can get the best opportunities for our students. You will learn at some of the most advanced facilities, and with the most advanced technologies.

NYP students can get professional certification from Microsoft, AWS and the EC-Council before graduation.

Our students are placed in meaningful internships with companies across the Asia-Pacific, Europe, and North America.

- Work off stress at our modern BodyWatch Gym.
- Play a round of pool and games, or belt out your favourite tunes at our student-only hang out: T-Junction.

The NYP Scholarship is offered to eligible students from various pathways: O Levels, Polytechnic Foundation Programme (PFP), PFP-to-diploma and ITE. We also offer mid-term scholarships to second-year students.

We know there are many options, and a lot of information can be overwhelming. We're here to help.

This guide tells you the advantage we can give you as a student at Nanyang Polytechnic (NYP).
