We've worked hard over the last 28 years to ensure that our industry network is among the strongest and most extensive. We've earned trust and respect, so that we can get the best opportunities for our students. You will learn at some of the most advanced facilities, and with the most advanced technologies.

NYP students can get professional certification from Microsoft, AWS and the EC-Council before graduation.

Our students are placed in meaningful internships with companies across the Asia-Pacific, Europe, and North America.

• Work off stress at our modern BodyWatch Gym.
• Play a round of pool and games, or belt out your favourite tunes at our student-only hang out: T-Junction.

The NYP Scholarship is offered to eligible students from various pathways: O Levels, Polytechnic Foundation Programme (PFP), PFP-to-diploma and ITE. We also offer mid-term scholarships to second-year students.

We know there are many options, and a lot of information can be overwhelming. We're here to help.

This guide tells you the advantage we can give you as a student at Nanyang Polytechnic (NYP).

The annual Graduate Employment Surveys show that our graduates go on to secure jobs and are highly soughtafter by employers in multiple industries. Many of our graduates also go on to pursue higher education.

Dr Koh Noi Sian received the 2019 President’s Award for Teachers. She developed software that detects the emotions of her students, helping them learn better.

Our campus culture and vibe.

We may not be big on OOTDs (Outfits of the Day) – but we are certainly huge about being inclusive and big on experiences and opportunities.

A six-month internship with a visual effects studio in the US got Motion Graphics & Broadcast Design student, Akshya, listed in the credits of Avengers: Endgame, and a job offer to boot.
