

## Engineering

Big Data & Analytics
Cloud Computing, Data Centre, Green ICT & Sustainable Solutions
Social & Community Applications
Mobile & Interactive Applications
Communications & Networking
Infocomm/Cyber Security
Telematics
Education Technologies
Imaging Technology & Video Analytics
Energy Systems & Technology
Wireless & Mobile Communications
Smart Systems & Embedded Technology
IC Design & Semiconductors
Healthcare, Wellness & Lifestyle Solutions
"Silver" Industry Development

Industrial Robotics and Automation systems
Nanotechnology and Materials
Bio-medical Technology
Mechatronics and Robotics
CAD/CAM/CAEI & Additive Manufacturing Technology
Manufacturing Systems & Software Engineering
Equipment & Automation Systems Design and Engineering
Aerospace Manufacturing Technology
Advanced & NanoMetrology and Quality Assurance
3D Mould Design & Plastic Moulding Technology
Precision Machining & CNC Technology
Environmental and Water Technology
