NOTES FOR STUDENTS

- The information provided will be kept strictly confidential and used for assessing fitness for course admission only. Fees incurred for the test are to be borne by student.
- Complete Part A of this form and bring along with you to a ***Singapore registered medical practitioner*** for the test. You may visit a private clinic, your own family doctor, or any of the specified medical centres listed in the next page.
- Please ensure your medical report is completed before you leave the medical centre, i.e. the doctor has certified whether you are fit to pursue the selected course of study at NYP. You will be deemed unfit unless certified fit.
- Please wear your glasses or contact lens for the colour vision test.
- For ***International Students***, the ***additional*** Medical Examination Report is required by ICA for your Student's Pass Application. The report can be downloaded from NYP Online Enrolment System or NYP Enrolment Website : www.nyp.edu.sg/enrolment.
- ***Submission*** of the completed medical report:

Students who did the colour vision test at NYP <u>specified</u> medical centre	No submission of medical report to NYP is required as the medical centre will do so on your behalf. <i>[Report is non-returnable.]</i>
Students who did the colour vision test at <u>other clinics</u>	Upload the medical report by following the instructions given on NYP Online Enrolment System or NYP Enrolment Website : www.nyp.edu.sg/enrolment .
Students <u>transferred</u> from another Polytechnic	<i>IF</i> you have already done the check-up, please inform us via email at NYP_Admissions_Office@nyp.edu.sg , indicating clearly the Polytechnic you have submitted the medical report to. NYP will follow-up on your behalf.
International Students	Collect the completed Medical Examination Report from the clinic <u>personally</u> for submission to ICA.

Important :

- If you are unable to complete the test before the deadline given, please inform us via email at NYP_Admissions_Office@nyp.edu.sg. **Failure to submit your medical report may result in you being deemed medically unfit to pursue the course.**
- If you have partial or complete colour deficiency, you are not eligible for the following courses and will require a course transfer :

Aeronautical & Aerospace Technology
 Aerospace / Electrical / Electronics Programme
 Aerospace / Mechatronics Programme
 Aerospace Systems & Management

Biomedical Engineering
 Electrical Engineering with Eco-Design
