JumpStart Programme

[an extension of the scaffolded funding for NYP students and alumni]

Preparatory Programme to turn ideas into real products
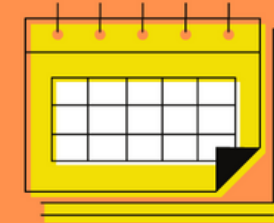

Mentorship & Network for Starting-up

Bridging Grant of up to $10,000 to take ideas to market

I should apply if I have any of these:

- an idea or project that has market potential

- a Small Project Funding (SPF) or hackathon project that can be developed further

- a market-ready prototype to test on consumers

- need help to start-up and gain traction

I need to complete these to be shortlisted:

- submit a project brief
- attend a 2-day preparatory programme
- pitch my idea to a evaluation panel

Apply at this link:
