

ALUMNI CONNECT

A Nanyang Polytechnic Alumni e-Newsletter

Dear NYP Alumni,

Greetings from all of us at the Student Development and Alumni Relations department! In this issue, we have curated some useful information on career resources, a course on Managing Change in an Age of Disruption and an info session on the latest tech market trends! 'Say Hello' to two of our alumni we are featuring this month and share any thoughts or comments you might have by emailing us at NYP_Alumni@nyp.edu.sg.

SGUnitedTraineeships: Centre for Industry & Lifelong Learning (Trainee Executive)

This position focuses on enhancing the department's digitalisation efforts which includes developing workflows for online application & tracking, certificate authentication & issuance, and invoicing of applicants and supporting other operational matters pertaining to course administration. The trainee can pick up skills in problem solving, communication and teamwork.

SAY HELLO

PUTTING WHAT WE LEARNT TO GOOD USE!

My team mates and I had presented our ideas to the head executives of Soup Spoon for their expansion. Using the knowledge and skills we learnt, we presented a comprehensive plan with innovative ideas that garnered us the first place.

LOVED THE FOOD!

I remember our lunch breaks at North Canteen which had some really awesome food. The western food was so "YUMZ"! We used to walk all the way from our lecture halls and tutorial rooms to the other end of campus to savor the food.

COURSES AND LIFELONG LEARNING

MANAGING CHANGE IN AN AGE OF DISRUPTION

Through this 1-day course, participants will learn about the forces that are driving organisational change and the nature of change within organisations. Participants will also be equipped with the skills to better embrace, prepare for and respond to change.

Trainer Profile:
Praba Nair, Principal Consultant

Praba is a Principal Consultant of KDiAsia, a professional services company specialising in change practices that help organisations improve its business capabilities and performance. He has more than 30 years of varied professional experience in Human Resource, Organisational Development and Knowledge Management in both private and public sector organisations. He has held management positions in Human Resource and Knowledge Management in Singapore and the region for more than 10 years. As a consultant and corporate trainer, he has led many engagements for organisations in diverse industries both in Singapore and the Asia Pacific region.
