Organised By:

In Partnership and Collaboration with:

The National Centre of Excellence for Workplace Learning (NACE) is a strategic collaboration by **SKILLSfuture SG** and **NYP NANYANG** THE INNOVATIVE POLYTECHNIC

What does NACE offer?

- Training programmes for Workplace Learning capability development for companies and individuals
- Consultancy services to implement customised Workplace Learning solutions to address specific company needs
- Innovative approaches to develop in-house Workplace Learning training systems for companies
- Expertise to equip companies with capabilities to train and develop employees

NACE is able to conduct our training programmes at your workplace.

We can also customise them to suit your business context and needs. Do contact us for more information.

The **Singaporean-German Chamber of Industry and Commerce (SGC)** is part of a network of 130 offices of the German bilateral Chambers of Industry and Commerce abroad in 90 countries.

It is one of the largest national business chambers in Singapore and its mandate includes the provision of market research, the production, dissemination of publications, and coaching/advisory issues.

Singaporean-German
Chamber of Industry and Commerce

The **Chamber of Industry and Commerce (IHK) for Munich and Upper Bavaria** is Germany's largest Chamber of Commerce and Industry with around 380,000 member companies. It is also one of the largest corporate networks in Europe. The Chamber supports foreign trade promotion, vocational training, regional economic development, and the provision of general services to its members. It must be also consulted whenever a new law related to industry or commerce is proposed.

The **IHK Akademie** is the vocational educational and training partner of IHK for Munich and Upper Bavaria, offering over 600 in-house programmes and masterclasses which can be tailored to the needs of companies.
